CONFIRMATION OF APPLICATION ACCEPTANCE

The Terpenes and Testing World Conference is a for profit company whose mission is to promote scientific research and educate the public on Medical Cannabis. The conference is one of the primary means by which Terpenes and Testing seeks to fulfill its mission. In organizing the conference, HOST seeks a variety of exhibitors so that conference attendees will have an opportunity to see and investigate a broad range of products or services which may impact the human aging process. With this in mind, HOST is not always able to confirm exhibit space immediately and may in its sole discretion accept or reject any application due to: the number of other applications from exhibitors who seek to promote similar products or services; to provide space to other exhibitors whose products or services are more in accord with HOST's mission or; to give priority to exhibitors who support HOST in other ways. Exhibitor understands that the confirmation-process is not, therefore, determined on a first come, first serve basis. Terpenes and Testing or its designee will deposit all reservation payments upon receipt. In so doing, this shall not in any way constitute HOST's acceptance of any application. Rather, acceptance of an exhibitor application shall only be by written acceptance

letter issued by Terpenes and Testing or its designee. EXHIBITOR SPACE FLOOR PLAN. Every effort will be made to maintain the general configuration of the floorplan for this convention. However, the HOST reserves the right to modify the plan, if necessary, as determined solely by the HOST.
